JUDGMENT

The prayer made in this writ petition is to direct the second respondent to shift the pipelines passing through the petitioner's property. The third respondent is having his residence in the neighbourhood of the said property and the pipe line in question is laid to provide water connection to his house. Petitioner submits that she has already made Exts.P4 and P6 representations before the second respondent and no action had been taken on those representations. It is also stated that she is willing to bear the cost of such shifting.

2. In view of this, I dispose of this writ petition directing the second respondent to consider Exts.P4 and P6, if those representations have been received and are pending before him, and to take appropriate decision thereon within a period of six weeks on receipt of a copy of this judgment. Before any final decision is taken, both

the petitioner and the third respondent shall be given notices.
